- ATV's
- Snow Mobiles
- Mopeds

MOTO-GRIP JR.™

A CHILD MOTORCYCLE PASSENGER SAFETY RESTRAINT

Moto-Grip Jr.™ is the first child motorcycle passenger safety restraint of its kind.

Child motorcycle passengers are particularly vulnerable to accidental ejection. This is because children are not fully developed in stature, strength, balance and reflexes. Moreover, children are prone to nodding off while riding on the back of a motorcycle. The Moto-Grip Jr. is a child safety restraint designed to secure the child passenger and to immediately alert the operator if the child passenger shifts position on the seat. It is fully adjustable to fit any child passenger regardless of size, weight or additional inclement weather outerwear. By design, the Moto-Grip Jr. must be used in combination with the Moto-Grip™, an innovative motorcycle passenger handgrip harness, sold separately. The Moto-Grip Jr. is made of the finest industrial strength polyester webbing available and the world's strongest 7075 aluminum alloy and solid brass quick release buckles, with a maximum passenger load of 300lbs/136kgs.

PRICING: Retail: \$79.95; Wholesale: \$48.00; Dealer Profit: \$31.95; Dealer Margin: 40 percent.

PURCHASING: For retail sales, please visit hatchventures.com. For dealer sales, please visit hatchventures.com or call 212-281-6144. Telephone inquiries welcome between 9 am and 9 pm EST, Monday thru Friday. Email inquiries to sales@hatchventures.com welcome anytime.

PRODUCT SAFETY INFORMATION: Each Moto-Grip Jr. is sold with detailed product instructions, warnings and inspection guidelines. All product safety information is also available at hatchventures.com.

COLORS: The Moto-Grip Jr. is available in black only.

SIZING: The Moto-Grip Jr. is available in one size only.

NOTE TO RETAILERS: Because of its novelty, we recommend that dealers display an unpackaged Moto-Grip Jr. for inspection by customers.
